

Public Notice Pursuant to A.R.S. § 38-431.02

ARIZONA MUNICIPAL WATER USERS ASSOCIATION MANAGEMENT BOARD

MEETING NOTICE AND AGENDA

Wednesday, November 9, 2022 – 10:00 a.m.

***This meeting will be held as a Hybrid meeting.
Attendance in person is welcomed; Others may join via Zoom.***

***Access this [Link](#) to join via Zoom. Meeting ID: 871 4632 0523
(Option to join by phone: 602-753-0140, same Meeting ID as above)***

A. Call to Order

B. General Business—Items for Discussion and Possible Action

1. Approval of the Minutes from the October 12, 2022 Meeting
2. Schedule Next Meeting Date: December 14, 2022, 10:00 a.m.
3. Colorado River Conditions and Potential Responses
4. AMWUA Fiscal Year 2023 Quarterly Financial Statements – First Quarter
5. AMWUA Annual Financial Audit Report for Fiscal Year 2022
6. Nominating Committee for AMWUA Chair and Vice-Chair

C. Member Reports

D. Executive Director's Report

E. Future Agenda Items

F. Adjournment

*The order of the agenda may be altered or changed by the AMWUA Management Board. Members of the AMWUA Management Board may attend in person or by internet conferencing.

More information about AMWUA public meetings is available online at www.amwua.org/what-we-do/public-meetings, or by request.

MANAGEMENT BOARD

MEETING MINUTES

October 12, 2022

HYBRID MEETING

VOTING MEMBERS PRESENT

Cape Powers, Peoria, Chair
Tara Ford, Tempe, Vice Chair
Kirk Beaty, Avondale
Brian Biesemeyer, Scottsdale
Chris Hassert, Mesa
John Knudson, Chandler
Jessica Marlow, Gilbert
Karen Peters, Phoenix
Ron Serio, Glendale
Javier Setovich, Goodyear

OTHERS PRESENT

Barry Aarons, Aarons Co.	Sam Draper, AMWUA	Mike Milby, CliftonLarsonAllen
Patrick J. Adams, AMWUA	Kathy Ferris, AMWUA	Jenna Norris, Peoria
Michelle Barclay, AMWUA	Rachel von Gnechten, ADWR	Diana Pina, AMWUA
Gretchen Baumgardner, Scottsdale	Lisa Gray, CliftonLarsonAllen	Martin Stiles, CAP
Anthony Beckham, SRP	Lauren Hixson, Gilbert	Drew Swieczkowski, Glendale
Rebecca Bernat, AWBA	Hayley Howard, Aarons Co.	Warren Tenney, AMWUA
Craig Caggiano, Tempe	Simone Kjolsrud, Chandler	Sheri Trapp, AMWUA
Cynthia Campbell, Phoenix	Jacob Perez Laurent, AMWUA	Theresa Ulmer, Ulmer Consulting
Barbara Chappell, Tempe	Kathy Macdonald, Mesa	Stefan Walston, Gilbert
	Marisa Manheim, ASU	Adam Wiechman, ASU

A. Call to Order

Mr. Powers called the meeting to order at 10:00 a.m.

B. General Business – Items for Discussion and Possible Action

1. Approval of the Minutes from September 14, 2022 Meeting

Upon a motion made by Ms. Peters and a second from Mr. Biesemeyer, the AMWUA Management Board unanimously approved of the September 14, 2022 meeting minutes.

2. [Schedule Next Meeting Date: November 9, 2022, 10:00 a.m.](#)

Mr. Powers reported that the AMWUA Management Board meeting in December would be moved to Tuesday, December 13, 2022, 10:00 a.m.

3. [Colorado River Conditions](#)

Mr. Tenney reported that there is still not clarity on how Reclamation will move towards substantial reductions to make a difference for the River. Last week, California announced it would be willing to voluntarily conserve 400,000 acre-feet per year through 2026 – with compensation – though that is not a significant conservation volume out of California’s 4.4 million acre-feet allocation and the minimum 2 million acre-feet demand reduction proposed by Reclamation. Reclamation will be soliciting proposals for voluntary, compensated conservation to leave more water in the reservoirs, which would be funded with \$4 billion from the Inflation Reduction Act. Mr. Tenney reported that Reclamation has signaled that it intends to pursue other actions, such as modifying existing DCP guidelines and assess evaporation and system losses, as well as evaluate provisions related to beneficial use. There is little specificity about how or when Reclamation will implement these actions; however, Lake Mead and Lake Powell are on the trajectory to plummet over the next two years with the lack of serious response measures.

Mr. Tenney reported that the AMWUA cities have been approached to sign on to a Memorandum of Understanding (MOU) with other Colorado River Basin municipal water providers. The MOU is more of a joint statement about additional municipal water conservation efforts, and it does not force any actions if the goals are not achieved. Original signatories for the MOU included Denver Water, Southern Nevada Water Authority, Metropolitan Water District of Southern California, and others; however, the language has been revised to accommodate participation of Arizona water providers. Mr. Tenney reported that with the increasing attention and concerns about the Colorado River situation, it would be a positive message here in the Valley to have the AMWUA cities join onto this MOU. Mr. Tenney asked the Management Board if there are any members interested in joining the MOU and to sign by November 1st, but more time can be given to sign on if needed.

Ms. Peters stated that City of Phoenix will request the authority to sign onto the MOU from its City Council on October 26th. Mr. Powers reported that the City of Peoria is reviewing the MOU. Mr. Biesemeyer reported that the City of Scottsdale will be asking City Council for signing authority on October 25th. Mr. Setovich reported that the City of Goodyear is still legally reviewing the MOU and requested additional time to the deadline. Mr. Tenney clarified that any municipality can sign onto the MOU after this November deadline, though there is a desire to gather MOU signatures before November 1st.

4. [2023 AMWUA Legislative Agenda](#)

Mr. Adams, Water Policy Advisor, reported on the AMWUA Legislative Policies Principles and Legislative Procedures that guides the work AMWUA does on legislative issues throughout the year. The Annual Legislative Agenda highlights the focus areas for the upcoming session and gives the general position AMWUA has regarding different water-related subjects to be used as a framework for legislation by municipalities. AMWUA brings updates and recommended positions to both Boards

each month throughout the session. AMWUA took formal positions on 45 bills in 2022. Mr. Adams then walked through the five subject areas within the proposed 2023 Legislative Agenda: Arizona State Agencies, Arizona Water Management, Colorado River Water, Water Efficiency & Conservation, and Water Quality.

Mr. Aarons reported this agenda follows the 2015 AMWUA Board Legislative procedures and there will be more information surrounding the upcoming session after the election.

Mr. Biesemeyer commented that AMWUA also support investment in water efficiency and water conservation projects, within the topic of Water Efficiency & Conservation. Mr. Tenney clarified this would be similar to the \$200 million in funding set aside for infrastructure when the WIFA legislation passed in the last session.

Ms. Peters commented that there are efforts in the Legislature regarding the creation of affordable housing. In this context, Ms. Peters has concerns about conversations supporting the relaxation of water management regulations, such as the AWS and Groundwater Management Act in order to develop these housing projects. Mr. Aarons agreed with Ms. Peters and commented that there are interests actively talking to reduce the AWS requirements from 100 years down to 40 years, and even providing exemptions to rural communities from the Groundwater Management Act.

Mr. Adams reported that AMWUA will incorporate the AMWUA Management Board's position of providing investment in water efficiency and water conservation projects. Ms. Peters also suggested emphasizing a preference towards "long-term" solutions and projects as opposed to temporary or short-term ones.

Upon a motion made by Ms. Peters and a second from Mr. Biesemeyer, the AMWUA Management Board approved to recommend the AMWUA 2023 Legislative Agenda to the AMWUA Board of Directors.

5. [AMWUA Outdoor Water Conservation Initiatives](#)

Mr. Tenney reported that the situation on the Colorado River has increased the focus around water conservation. Last year, AMWUA created a municipal water use ordinance summary which reaffirmed that all AMWUA members have ordinances and policies that require low-water-use landscaping, establish landscape water use standards for non-residential users, limit grass, and prohibit water waste. In collaboration with its members, AMWUA created a package of ordinance concepts for outdoor water use that could be individually pursued within each municipality while making a positive regional impact. The objective was to show municipalities are being responsive and responsible about the increasing seriousness of the Colorado River, build and extend their conservation ethic, manage the ordinance implementation, and demonstrate leadership from the cities. The AMWUA Board of Directors supported these ordinance concepts last December and Mr. Tenney briefly reviewed these Outdoor Water Ordinance concepts.

Mr. Tenney reported that since December, other western states have been receiving attention surrounding their implementation of various conservation initiatives, some already practiced by AMWUA members. Efforts to remove grass in the West is attracting significant attention, with letters from SNWA and ADWR Directors calling for municipal grass removal programs as actions from Reclamation. Mr. Tenney reported that the AMWUA cities have always pursued opportunities to

increase water conservation to maximize supplies and residents, decision makers, and elected officials want to see we are continuing to take action in conservation. AMWUA believes enacting outdoor conservation ordinances show cities will be bolstering the current water conservation ethic in the Valley and proposed limitations on new non-functional grass as the biggest gain. Mr. Tenney then reviewed what would and wouldn't be included within an ordinance concept limiting non-functional grass. He then reviewed possible options for implementing these limitations, either adopted locally through ordinances or pursued through legislation for the Phoenix AMA in the 2023 session. Mr. Tenney reported that the increased focus on water conservation provides opportunities for the AMWUA members to demonstrate municipal leadership and increase water conservation awareness locally. He also included additional actions being done in water conservation, such as funding opportunities through the new WIFA.

Mr. Setovich commented that it may be difficult to maintain the original purpose of these conservation initiatives through legislation. Mr. Powers expressed his own hesitation in bringing these initiatives to the legislative levels. Mr. Biesemeyer agreed and commented that he would favor revisiting support for ordinance concepts among individual cities on their own terms. Mr. Knudson commented that keeping these concepts local would be the best strategy for a city to implement these conservation practices. Mr. Serio agreed and asked how much non-functional grass would be impacted or the water savings associated. Mr. Tenney responded that these ordinances would target all new, non-residential development, encouraging development to examine low-water-use landscaping as opposed to grass.

Ms. Peters agreed that a local approach would be better, but that members must be prepared for new legislation regarding water conservation to be introduced regardless, and how cities can respond or offer amendments. She also noted to condition payment for grass removal to reject negative impacts to neighborhoods, such as increases to urban heat effects. Ms. Marlow and Mr. Powers referenced including turf removal programs that prioritize planting shade coverage or desert appropriate vegetation.

Mr. Tenney reported that AMWUA is collaborating with both the CEAG and WRAG on how to best support cities on their collective efforts or within the legislative session and encouraged members to pursue the funding opportunities to bolster their water conservation strategies.

C. Member Reports

Mr. Beaty reported that the City of Avondale Council has adopted its updated Drought Preparedness Plan. Avondale is currently in a Stage 0 of its plan and will be advancing to further stages in the coming months.

Ms. Peters recognized both Mr. Tenney and Mr. Biesemeyer, who were panelists at the Arizona Forward Statewide Sustainability Summit. She also welcomed Ron Serio to the AMWUA Management Board.

D. Executive Director's Report

Mr. Tenney reported that AMWUA, the Kyl Center for Water Policy, and the Arizona Hydrological Society have created an informational voting guide on various water positions from the 14 CAP Board election candidates.

Mr. Tenney reported that there are still three appointments to be made to the new WIFA Board. To date, the Board members are Ted Cooke, Susan Montgomery, David Beckham, Buchanan Davis, Andy Tobin, and Johnathan Lines. It is anticipated that the new WIFA will be operating by the end of the month.

Mr. Tenney reported that the new AMWUA blog was in regards to the Assured Water Supply Program and the importance of groundwater, especially as we see a future with less Colorado River water in Arizona.

E. Future Agenda Items

There were no future agenda items at this time.

F. Adjournment

Mr. Powers adjourned the meeting at 11:10 a.m.

MANAGEMENT BOARD

INFORMATION SUMMARY

November 9, 2022

Colorado River Conditions and Potential Responses

ANNUAL PLAN REFERENCE

Colorado River Management & Shortage Preparation

Assist, monitor and coordinate on the impacts of shortage declarations on the Colorado River along with the Reconsultation of the 2007 Colorado River Interim Guidelines to ensure our members' interests are forefront.

- Ongoing Coordination – Pursue opportunities to assist and synchronize continuing preparation efforts such as identifying ways to strengthen members' drought (shortage) preparedness plans.
- Risks – Analyze long-term risks of shortages to our members

Strategic Plan: Facilitate our Strength in Numbers, Collaborate and Advocate for Solutions, Safeguard Water Supplies, Prepare for Impacts of Drought & Shortage, Minimize Financial Impacts

SUMMARY

AMWUA staff will give an update regarding current Colorado River conditions and the Tier 2 Shortage declaration for 2023. The US Department of the Interior and US Bureau of Reclamation continue to signal that additional reductions could be implemented in 2023.

In October, Reclamation announced its Lower Colorado River Basin System Conservation Program in which it is incentivizing Colorado River water users to leave water in Lake Mead. Reclamation wants to see first if voluntary reductions through system conservation can provide some stabilization to the River.

Reclamation has also indicated that it is considering how to start factoring evaporation and other system losses in determining the water available from the River. Plus, Interior announced that it is revisiting the operating guidelines for Lake Powell and Lake Mead and is targeting Summer 2023 to have updated guidelines in place.

RECOMMENDATION

The AMWUA Management Board is requested to ask questions and discuss the Colorado River shortage.

MANAGEMENT BOARD INFORMATION SUMMARY

November 9, 2022

AMWUA Fiscal Year 2023 Quarterly Financial Statements – First Quarter

ANNUAL PLAN REFERENCE

Day-to-Day Operations

Maintain the daily operations of an effective organization and the services members rely on.

- AMWUA will continue to wisely manage its financial resources
Strategic Plan: Facilitate our Strength in Numbers, Educate - Excel as an Expert and Resource

SUMMARY

The AMWUA Statement of Revenues and Expenses for the period July 1, 2022 through September 30, 2022 and the Balance Sheet dated September 30, 2022 are presented for your information.

AMWUA actual revenue at the end of the first quarter is \$4,618 over year-to-date budget. This increase is due to the collection of interest revenue.

AMWUA has incurred year-to-date actual expenses that are \$46,874 under the year-to-date budget. This variance is primarily due to the savings in payroll salaries, payroll taxes and personnel due to changes in staff, as well as savings in water conservation expenses and a credit received for occupancy expenses from the prior year.

RECOMMENDATION

AMWUA staff is requesting that the AMWUA Management Board recommend to the AMWUA Board of Directors acceptance of the AMWUA quarterly financial statements for the first quarter as presented.

Suggested Motion: I move that the AMWUA Management Board recommend to the AMWUA Board of Directors acceptance of the AMWUA quarterly financial statements for the first quarter as presented.

AMWUA Annual Financial Audit Report for Fiscal Year 2022

STRATEGIC PLAN REFERENCE

Operational Principles – Manage an Efficient and Effective Association

SUMMARY

The AMWUA Annual Financial Audit Report for the fiscal year ending June 30, 2022 is presented for your review and information. This audit report issued by the independent accounting firm of Heinfeld, Meech & Co., P.C. includes their opinion that the financial statements included in this report present fairly, in all material respects, the financial position of AMWUA as of June 30, 2022.

Also provided is the letter addressed to the AMWUA Board of Directors, which is required to communicate various items to those charged with governance on the Association. Although AMWUA's finances are in good standing, a general finding was noted due to inconsistency in a secondary review of the Association's existing internal controls in conjunction with the new accounting guidelines known as GASB 87. During FY22, AMWUA's financial consulting firm experienced management changes resulting in a lapse in the secondary review process. This temporary lapse has since been remedied as a new manager has been permanently assigned to the AMWUA account.

AMWUA takes seriously its fiduciary responsibility to our member cities by fulfilling our mission requirements within the parameters of the approved budget. This independent audit report confirms that AMWUA completed Fiscal Year 2022 under budget and continues to be on a fiscally sound footing to meet the future needs of the Association.

RECOMMENDATION

AMWUA staff proposes that the AMWUA Management Board recommend to the AMWUA Board of Directors acceptance of the audit report as presented.

Suggested motion: I move that the AMWUA Management Board recommend to the AMWUA Board of Directors acceptance of the AMWUA Annual Financial Audit Report for Fiscal Year 2022.

- **Attachment B:** Annual Financial Audit Report

October 13, 2022

To the Board of Directors
Arizona Municipal Water Users Association

We have audited the financial statements of Arizona Municipal Water Users Association (AMWUA) for the years ended June 30, 2022 and 2021. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, *Government Auditing Standards*, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our engagement letter provided to you during the planning phase of the audit. Professional standards also require that we communicate to you the following matters related to our audit.

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Arizona Municipal Water Users Association are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during the year. We noted no transactions entered into by AMWUA during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

As described in Note 1 of the financial statements, AMWUA implemented the provisions of the Governmental Accounting Standards Board (GASB) Statement No. 87, *Leases*, for the year ended June 30, 2022. GASB Statement No. 87 increases the usefulness of the financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected.

The most sensitive estimates affecting the financial statements were:

- Management's estimate of the useful lives of depreciable capital assets is based on the length of time management estimates those assets will provide some economic benefit in the future.
- The assumptions used in the actuarial valuations of the pension plan are based on historical trends and industry standards.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Audit Adjustments

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. The attached schedule summarizes uncorrected misstatements of the financial statements. Management has determined that their effects are immaterial, both individually and in the aggregate, to the financial statements as a whole and each applicable opinion unit.

In addition, as part of the professional services we provided to AMWUA, we assisted with the preparation of the financial statements and the notes to financial statements. In providing this service, we prepared adjusting journal entries necessary to convert the accounting records to the basis of accounting required by generally accepted accounting principles. Those adjusting journal entries have been provided to management who reviewed and approved those entries and accepted responsibility for them.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain written representations from management, which are included in the management representation letter provided to us at the conclusion of the audit.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to AMWUA's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants regarding auditing and accounting matters.

Discussions with Management

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management throughout the course of the year. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention as AMWUA's auditors.

Other Matters

We have noted an emphasis of matter paragraph in the financial statements due to the presentation of comparative financial statements. Our opinion is not modified with respect to this matter.

Compliance with Ethics Requirements Regarding Independence

The engagement team, others in our firm, and as appropriate, our firm, have complied with all relevant ethical requirements regarding independence. Heinfeld, Meech & Co., P.C. continually assesses client relationships to comply with relevant ethical requirements, including independence, integrity, and objectivity, and policies and procedures related to the acceptance and continuance of client relationships and specific engagements. Our firm follows the "Independence Rule" of the AICPA Code of Professional Conduct and the rules of state boards of accountancy and applicable regulatory agencies. It is the policy of the firm that all employees be familiar with and adhere to the independence, integrity, and objectivity rules, regulations, interpretations, and rulings of the AICPA, U.S. Government Accountability Office (GAO), and applicable state boards of accountancy.

Responsibility for Fraud

It is important for both management and the members of the governing body to recognize their role in preventing, deterring, and detecting fraud. One common misconception is that the auditors are responsible for detecting fraud. Auditors are required to plan and perform an audit to obtain reasonable assurance that the financial statements do not include material misstatements caused by fraud. Unfortunately most frauds which occur in an organization do not meet this threshold.

The attached document prepared by the Association of Certified Fraud Examiners (ACFE) is provided as a courtesy to test the effectiveness of the fraud prevention measures of your organization. Some of these steps may already be in place, others may not. Not even the most well-designed internal controls or procedures can prevent and detect all forms of fraud. However, an awareness of fraud related factors, as well as the active involvement by management and the members of the governing body in setting the proper “tone at the top”, increases the likelihood that fraud will be prevented, deterred and detected.

Additional Reports Issued

In addition to the auditor’s report on the financial statements we will also issue the following documents related to this audit. These reports are typically issued within 60 days of the date of this letter.

- Report on internal control over financial reporting and on compliance in accordance with *Government Auditing Standards*

Other Important Communications Related to the Audit

Attached to this letter are a copy of the signed engagement letter provided to us at the initiation of the audit, and a copy of the management representation letter provided to us at the conclusion of the audit. If there are any questions on the purpose or content of these letters please contact the engagement partner identified in the attached engagement letter.

Restriction on Use

This information is intended solely for the use of the members of the Board of Directors and management of Arizona Municipal Water Users Association and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

Heinfeld Meech & Co. PC

Heinfeld, Meech & Co., P.C.
Scottsdale, Arizona

Fraud Prevention Checklist

The most cost-effective way to limit fraud losses is to prevent fraud from occurring. This checklist is designed to help organizations test the effectiveness of their fraud prevention measures.

1. Is ongoing anti-fraud training provided to all employees of the organization?

- Do employees understand what constitutes fraud?
- Have the costs of fraud to the company and everyone in it — including lost profits, adverse publicity, job loss and decreased morale and productivity — been made clear to employees?
- Do employees know where to seek advice when faced with uncertain ethical decisions, and do they believe that they can speak freely?
- Has a policy of zero-tolerance for fraud been communicated to employees through words and actions?

2. Is an effective fraud reporting mechanism in place?

- Have employees been taught how to communicate concerns about known or potential wrongdoing?
- Is there an anonymous reporting channel available to employees, such as a third-party hotline?
- Do employees trust that they can report suspicious activity anonymously and/or confidentially and without fear of reprisal?
- Has it been made clear to employees that reports of suspicious activity will be promptly and thoroughly evaluated?
- Do reporting policies and mechanisms extend to vendors, customers and other outside parties?

3. To increase employees' perception of detection, are the following proactive measures taken and publicized to employees?

- Is possible fraudulent conduct aggressively sought out, rather than dealt with passively?
- Does the organization send the message that it actively seeks out fraudulent conduct through fraud assessment questioning by auditors?
- Are surprise fraud audits performed in addition to regularly scheduled audits?
- Is continuous auditing software used to detect fraud and, if so, has the use of such software been made known throughout the organization?

- 4. Is the management climate/tone at the top one of honesty and integrity?**
 - Are employees surveyed to determine the extent to which they believe management acts with honesty and integrity?
 - Are performance goals realistic?
 - Have fraud prevention goals been incorporated into the performance measures against which managers are evaluated and which are used to determine performance-related compensation?
 - Has the organization established, implemented and tested a process for oversight of fraud risks by the board of directors or others charged with governance (e.g., the audit committee)?
- 5. Are fraud risk assessments performed to proactively identify and mitigate the company's vulnerabilities to internal and external fraud?**
- 6. Are strong anti-fraud controls in place and operating effectively, including the following?**
 - Proper separation of duties
 - Use of authorizations
 - Physical safeguards
 - Job rotations
 - Mandatory vacations
- 7. Does the internal audit department, if one exists, have adequate resources and authority to operate effectively and without undue influence from senior management?**
- 8. Does the hiring policy include the following (where permitted by law)?**
 - Past employment verification
 - Criminal and civil background checks
 - Credit checks
 - Drug screening
 - Education verification
 - References check
- 9. Are employee support programs in place to assist employees struggling with addictions, mental/ emotional health, family or financial problems?**
- 10. Is an open-door policy in place that allows employees to speak freely about pressures, providing management the opportunity to alleviate such pressures before they become acute?**
- 11. Are anonymous surveys conducted to assess employee morale?**

Board of Directors and Management
Arizona Municipal Water Users Association
3003 N. Central Ave. Suite 1550
Phoenix, AZ 85012-2901

We are pleased to confirm our understanding of the services we are to provide for Arizona Municipal Water Users Association (Association) for the year ended June 30, 2022. We encourage you to read this letter carefully as it includes important information regarding the services we will be providing to the Association. If there are any questions on the content of the letter, or the services we will be providing, we would welcome the opportunity to meet with you to discuss this information further.

Audit Scope and Objectives

We will audit the financial statements and the disclosures of Arizona Municipal Water Users Association as of and for the year ended June 30, 2022.

Accounting standards generally accepted in the United States provide for certain required supplementary information (RSI) to supplement the Association's basic financial statements. Such information, although not part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to the Association's RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

The following RSI is required by generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1. Management's discussion and analysis
2. GASB-required pension schedules

The objectives of our audit are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and issue an auditor's report that includes our opinion about whether your financial statements are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the United States of America will always detect a material misstatement when it exists. Misstatements, including omissions, can arise from fraud or error and are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment of a reasonable user made based on the financial statements.

An important aspect to our expression of an opinion on the financial statements is understanding the concept of materiality. Our determination of materiality is a matter of professional judgment and is affected by our perception of the financial information needs of users of the financial statements. In this context, it is reasonable for us to assume that users –

1. have a reasonable knowledge of business and economic activities and accounting principles, and a willingness to study the information in the financial statements with reasonable diligence;
2. understand that financial statements are prepared, presented, and audited to levels of materiality;
3. recognize the uncertainties inherent in the measurement of amounts based on the use of estimates, judgment, and the consideration of future events; and
4. make reasonable economic decisions on the basis of the information in the financial statements.

Auditor’s Responsibilities for the Audit of the Financial Statements

We will conduct our audit in accordance with auditing standards generally accepted in the United States of America and the standards for financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, and will include tests of your accounting records and other procedures we consider necessary to enable us to express such an opinion. As part of an audit in accordance with auditing standards generally accepted in the United States of America, we exercise professional judgment and maintain professional skepticism throughout the audit.

We will evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management. We will also evaluate the overall presentation of the financial statements, including the disclosures, and determine whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the Association or to acts by management or employees acting on behalf of the Association. Because the determination of abuse is subjective, *Government Auditing Standards* do not expect auditors to perform specific procedures to detect waste or abuse in the financial statements nor do they expect auditors to provide reasonable assurance of detecting waste or abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is an unavoidable risk that some material misstatements may not be detected by us, even though the audit is properly planned and performed in accordance with auditing standards generally accepted in the United States of America and *Government Auditing Standards*. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements. However, we will inform the appropriate level of management of any material errors, fraudulent financial reporting, or misappropriation of assets that comes to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential. We will include such matters in the report the *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

We will obtain an understanding of the Association and its environment, including internal control relevant to the audit, sufficient to identify and assess the risks of material misstatement of the financial statements, whether due to error or fraud, and to design and perform audit procedures responsive to those risks and obtain evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentation, or the override of internal control. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to *Government Auditing Standards*.

An audit is not designed to provide assurance on internal control or to identify deficiencies in internal control. Accordingly, we will express no such opinion. However, during the audit, we will communicate to you and those charged with governance internal control related matters that are required to be communicated under professional standards.

We will also conclude, based on the audit evidence obtained, whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts. Our procedures will also include, as deemed necessary, tests of the physical existence of inventories, and direct confirmation of receivables and certain assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will also request, if deemed necessary, written representations from the Association's attorneys as part of the engagement, and they may bill you for responding to this inquiry.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion in our report on internal control issued pursuant to *Government Auditing Standards*. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards and *Government Auditing Standards*.

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of the Association's compliance with applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to *Government Auditing Standards*.

Reporting

We will issue a written report upon completion of our audit of Arizona Municipal Water Users Association's financial statements. Our report will be addressed to the Board of Directors of the Association. Circumstances may arise in which our report may differ from its expected form and content based on the results of our audit. Depending on the nature of these circumstances, it may be necessary for us to modify our opinion or add an emphasis-of-matter or other-matter paragraph to our auditor's report, or if necessary, withdraw from this engagement. If our opinion is other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed an opinion, we may decline to express an opinion or withdraw from this engagement.

We will issue a written report on Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements, noncompliance with which could have a material effect on the financial statements in accordance with *Government Auditing Standards*. The *Government Auditing Standards* report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance.

Responsibilities of Management for the Financial Statements

Our audit will be conducted on the basis that you acknowledge and understand your responsibility for designing, implementing, and maintaining internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including monitoring ongoing activities; for the selection and application of accounting principles; and for the preparation and fair presentation of the financial statements in conformity with accounting principles generally accepted in the United States of America.

Management is also responsible for making drafts of financial statements, all financial records, and related information available to us and for the accuracy and completeness of that information (including information from outside of the general and subsidiary ledgers). You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, such as records, documentation, identification of all related parties and all related-party relationships and transactions, and other matters; (2) additional information that we may request for the purpose of the audit; (3) other information as needed to perform an audit under *Government Auditing Standards*; (4) and unrestricted access to persons within the Association from whom we determine it necessary to obtain audit evidence. At the conclusion of our audit, we will require certain written representations from you about the financial statements; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Management's responsibilities also include adjusting the financial statements to correct material misstatements and confirming to us in the representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements.

Management is responsible for the financial statements and all accompanying information as well as all representations contained therein. Management is also responsible for identifying government award programs and understanding and complying with the compliance requirements.

Management is responsible for (1) designing, implementing, establishing and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities, to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management is reliable and financial information is reliable and properly reported.

Management is responsible for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantors, regulators, or others.

Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of accounting principles; for the preparation and fair presentation of the financial statements, and all accompanying information in conformity with accounting principles generally accepted in the United States of America; and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is required to disclose in the financial statements the date through which subsequent events have been evaluated and whether that date is the date the financial statements were issued or were available to be issued. You agree that you will not date the subsequent event note earlier than the date of your management representation letter.

Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits or studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

With regard to the electronic dissemination of audited financial statements, including financial statements published electronically on your website, management understands that electronic sites are a means to distribute information and, therefore, we are not required to read the information contained in these sites or to consider the consistency of other information in the electronic site with the original document.

Planned Scope and Timing of the Audit

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. Our tests will not include a detailed check of all transactions for the period.

We have identified the following significant risks of material misstatement as part of our audit planning:

1. Management override of controls
2. Improper revenue recognition

Our audit will include obtaining an understanding of the entity and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Material misstatements may result from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the entity or to acts by management or employees acting on behalf of the entity. We will generally communicate our significant findings at the conclusion of the audit. However, some matters could be communicated sooner, particularly if significant difficulties are encountered during the audit where assistance is needed to overcome the difficulties or if the difficulties may lead to a modified opinion. We will also communicate any internal control related matters that are required to be communicated under professional standards.

We expect to begin our audit in June 2022 and conclude audit procedures and date our report in November 2022.

Our audit of the financial statements does not relieve you of your responsibilities outlined in the *Responsibilities of Management for the Financial Statements* section of this letter.

Use of Third-Party Service Providers

We maintain internal policies, procedures, and safeguards to protect the confidentiality of your information. We may, depending on the circumstances, use third-party service providers in providing our professional services. The following service providers may be utilized in the completion of our engagement:

- Capital Confirmation, Inc. – electronic bank and account balance confirmation service
- Citrix ShareFile – web-based application service to transfer files
- CCH Engagement Organizer – web-based application service to transfer files
- Harvest Investments, Ltd. – investment portfolio valuation service

You hereby consent and authorize us to use the above service providers, if deemed necessary, to complete the professional services outlined in this letter.

Engagement Administration, Fees, and Other

Brittney Williams is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

We will provide copies of our reports to the Association; however, management is responsible for distribution of the reports and the financial statements.

The audit documentation for this engagement is the property of Heinfeld, Meech & Co., P.C., and constitutes confidential information. However, we may be requested to make certain audit documentation available to a cognizant or oversight agency or its designee, a federal agency providing direct or indirect funding, the U.S. Government Accountability Office, or other authorized governmental agency for the purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of Heinfeld, Meech & Co., P.C., personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of seven (7) years after the report release date, or for any additional period requested by a regulator, cognizant agency, oversight agency for audit, or pass-through entity. Upon expiration of the seven year period, or any additional period, we will commence the process of destroying the contents of our engagement files. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the party(ies) contesting the audit finding for guidance prior to destroying the audit documentation.

In the event we are required to respond to a subpoena, court order or other legal process for the production of documents and/or testimony relative to information we obtained and/or prepared during the course of this engagement, you agree to compensate us at our hourly rates, for the time we expend in connection with such response, and to reimburse us for all of our out-of-pocket costs incurred in that regard.

Any disagreement, controversy, or claim (“dispute”) that may arise from any aspect of our services, including this engagement or any prior engagement, will be submitted to mediation. The parties will engage in the mediation process in good faith once a written request to mediate has been given by any party. Any mediation initiated as a result of this engagement shall be administered by The American Arbitration Association, according to its mediation rules before resorting to litigation. The results of any such mediation shall be binding only upon agreement of each party to be bound. Each party will bear its own costs in the mediation. The fees and expenses of the mediator will be shared equally.

The nature of our services makes it difficult, with the passage of time, to gather and present evidence that fully and fairly establishes the facts underlying any dispute that may arise between us. The parties agree that, notwithstanding any statute or law of limitations that might otherwise apply to a dispute, including one arising out of this agreement or the services performed under this agreement, for breach of contract or fiduciary duty, tort, fraud, misrepresentation or any other cause of action or remedy, any action or legal proceeding by you against us must be commenced within twenty-four (24) months (“limitation period”) after the date when we deliver our final audit report under this agreement to you,

regardless of whether we do other services for you relating to the audit report, or you shall be forever barred from commencing a lawsuit or obtaining any legal or equitable relief or recovery. The limitation period applies and begins to run even if you have not suffered any damage or loss, or have not become aware of the existence or possible existence of a dispute.

Professional standards prohibit auditors from agreeing to indemnify attest clients for damages, losses or costs arising from lawsuits, claims or settlements that relate, directly or indirectly, to the client's acts. As such, professional standards will prevail for indemnification clauses included in audit contracts. In addition, we are unable to obtain waivers on our professional liability insurance policy for certain provisions, including indemnification provisions, provisions requiring the firm to name the Association as an additional insured party, and a waiver of subrogation rights.

Professional standards require us to be independent with respect to you in the performance of these services. Any discussion that you have with our personnel regarding potential employment with you could impair our independence with respect to this engagement. Therefore, we request that you inform us prior to any such discussions so that we can implement appropriate safeguards to maintain our independence and objectivity. Further, any employment offers to any staff members working on this engagement without our prior knowledge may require substantial additional procedures to ensure our independence. You will be responsible for any additional costs incurred to perform these procedures.

Our fee for these services will be at the amount outlined in our proposal. We exercised care in estimating the fee and believe it accurately indicates the scope of the work. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation.

Our fees are based on anticipated cooperation from your personnel, timely receipt of information, and the assumption that unexpected circumstances will not be encountered during the audit, including factors beyond our control, such as new accounting pronouncements or legal requirements, additional consultation, and assistance in correcting errors in your financial records. We will plan the engagement based on the assumption that your personnel will prepare and provide us with the items listed in our request for audit information, including preparing requested schedules, retrieving supporting documents, and preparing confirmations. If, for whatever reason, your personnel are unavailable to provide the necessary assistance in a timely manner, it may substantially increase the work we have to do to complete the engagement within the established deadlines, resulting in an increase in fees over our original fee estimate. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs. Additional fees incurred will be billed at the following hourly rates: Partner - \$273; Manager - \$202; Senior - \$163; Staff - \$114.

If any term or provision of this agreement is determined to be invalid or unenforceable, such term or provision will be deemed stricken, and all other terms and provisions will remain in full force and effect.

Government Auditing Standards require that we provide you with a copy of our most recent external peer review report and any letter of comment, and any subsequent peer review reports and letters of comment received during the period of the contract. Our 2021 peer review report accompanies this letter.

We appreciate the opportunity to be of service to you and believe this letter accurately summarizes the significant terms of our engagement. Please feel free to contact us at any time if you have any questions or concerns. If you have any questions regarding this letter, please let us know. If you agree with the terms of our engagement as described in this letter, please sign the enclosed copy and return it to us.

Very truly yours,

Heinfeld Meech & Co. PC

Report on the Firm's System of Quality Control

August 31, 2021

To Heinfeld, Meech & Co., P.C. and the Peer Review Committee of the California Society of CPAs

We have reviewed the system of quality control for the accounting and auditing practice of Heinfeld, Meech & Co., P.C. (the firm) in effect for the year ended May 31, 2021. Our peer review was conducted in accordance with the Standards for Performing and Reporting on Peer Reviews established by the Peer Review Board of the American Institute of Certified Public Accountants (Standards).

A summary of the nature, objectives, scope, limitations of, and the procedures performed in a System Review as described in the Standards may be found at www.aicpa.org/prsummary. The summary also includes an explanation of how engagements identified as not performed or reported in conformity with applicable professional standards, if any, are evaluated by a peer reviewer to determine a peer review rating.

Firm's Responsibility

The firm is responsible for designing a system of quality control and complying with it to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. The firm is also responsible for evaluating actions to promptly remediate engagements deemed as not performed or reported in conformity with professional standards, when appropriate, and for remediating weaknesses in its system of quality control, if any.

Peer Reviewer's Responsibility

Our responsibility is to express an opinion on the design of the system of quality control and the firm's compliance therewith based on our review.

Required Selections and Considerations

Engagements selected for review included engagements performed under *Government Auditing Standards*, including compliance audits under the Single Audit Act and an audit of an employee benefit plan.

As a part of our peer review, we considered reviews by regulatory entities as communicated by the firm, if applicable, in determining the nature and extent of our procedures.

Opinion

In our opinion, the system of quality control for the accounting and auditing practice of Heinfeld, Meech & Co., P.C. in effect for the year ended May 31, 2021, has been suitably designed and complied with to provide the firm with reasonable assurance of performing and reporting in conformity with applicable professional standards in all material respects. Firms can receive a rating of *pass*, *pass with deficiency(ies)* or *fail*. Heinfeld, Meech & Co., P.C. has received a peer review rating of *pass*.

Scottsdale, AZ 85257

This representation letter is provided in connection with your audit of the financial statements of Arizona Municipal Water Users Association (AMWUA), which comprise the respective financial positions as of June 30, 2022 and 2021, the respective changes in financial position and, where applicable, cash flows for the periods then ended, and the disclosures (collectively the “financial statements”), for the purpose of expressing opinions as to whether the financial statements are presented fairly, in all material respects, in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement. An omission or misstatement that is monetarily small in amount could be considered material as a result of qualitative factors.

I confirm, to the best of my knowledge and belief, as of the date of my signature, the following representations made to you during your audit.

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter, including our responsibility for the preparation and fair presentation of the financial statements in accordance with U.S. GAAP and for preparation of the supplementary information in accordance with the applicable criteria.
2. The financial statements referred to above are fairly presented in conformity with U.S. GAAP and include all properly classified funds and other financial information of the primary government and all component units required by generally accepted accounting principles to be included in the financial reporting entity.
3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Arizona Municipal Water Users Association

4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.
5. Significant assumptions we used in making accounting estimates, including those measured at fair value, are reasonable.
6. Related party relationships and transactions, including revenues, expenditures/expenses, loans, transfers, leasing arrangements, and guarantees, and amounts receivable from or payable to related parties have been appropriately accounted for and disclosed in accordance with U.S. GAAP.
7. Adjustments or disclosures have been made for all events, including instances of noncompliance, subsequent to the date of the financial statements that would require adjustment to or disclosure in the financial statements or in the schedule of findings and responses.
8. The effects of all known actual or possible litigation, claims, and assessments have been evaluated, and if necessary, have been accounted for and disclosed in accordance with U.S. GAAP.
9. Guarantees, whether written or oral, under which AMWUA is contingently liable, if any, have been properly recorded or disclosed.

Information Provided

10. We have provided you with:
 - a. Access to all information, of which we are aware, that is relevant to the preparation and fair presentation of the financial statements, such as records (including information obtained from outside of the general and subsidiary ledgers), documentation, and other matters and all audit or relevant monitoring reports, if any, received from funding sources.
 - b. Additional information that you have requested from us for the purpose of the audit.
 - c. Unrestricted access to persons within AMWUA from whom you determined it necessary to obtain audit evidence.
 - d. Minutes of the meetings of the Board of Directors or summaries of actions of recent meetings for which minutes have not yet been prepared.
11. All material transactions have been recorded in the accounting records and are reflected in the financial statements.
12. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

13. We have no knowledge of any fraud or suspected fraud that affects AMWUA and involves:
 - Management,
 - Employees who have significant roles in internal control, or
 - Others where the fraud could have a material effect on the financial statements.
14. We have no knowledge of any allegations of fraud or suspected fraud affecting AMWUA's financial statements communicated by employees, former employees, grantors, regulators, or others.
15. We have no knowledge of any instances of noncompliance or suspected noncompliance with provisions of laws, regulations, contracts, or grant agreements, or waste or abuse, whose effects should be considered when preparing financial statements.
16. We have disclosed to you all known actual or possible litigation, claims, and assessments whose effects should be considered when preparing the financial statements.
17. We have disclosed to you the identity of AMWUA's related parties and all the related party relationships and transactions, including any side agreements.

Government-specific

18. There have been no communications from regulatory agencies concerning noncompliance with, or deficiencies in, financial reporting practices.
19. If applicable we have taken timely and appropriate steps to remedy fraud, noncompliance with provisions of laws, regulations, contracts, and grant agreements that you have reported to us.
20. We have a process to track the status of audit findings and recommendations.
21. We have identified and communicated to you any previous audits, attestation engagements, and other studies related to the audit objectives and whether related recommendations have been implemented.
22. We have identified to you any investigations or legal proceedings that have been initiated with respect to the period under audit.
23. If applicable, we have provided our views on reported findings, conclusions, and recommendations, as well as our planned corrective actions, for the report.
24. AMWUA has no plans or intentions that may materially affect the carrying value or classification of assets, liabilities, deferred outflows/inflows of resources, and fund balance or net position.
25. We are responsible for compliance with the laws, regulations, and provisions of contracts and grant agreements applicable to us, including tax or debt limits and debt contracts, and legal and contractual provisions for reporting specific activities in separate funds.

26. We have appropriately disclosed all information for conduit debt obligations in accordance with U.S. GAAP.
27. We have identified and disclosed to you all instances of identified fraud and suspected fraud that we believe have a material effect on the financial statements or other financial data significant to the audit objectives, and any other instances that warrant the attention of those charged with governance.
28. We have identified and disclosed to you all instances of identified noncompliance with provisions of contracts and grant agreements that we believe have a material effect on the determination of financial statement amounts or other financial data significant to the audit objectives.
29. We have identified and disclosed to you all instances of identified abuse that could be quantitatively or qualitatively material to the financial statements or other financial data significant to the audit objectives.
30. There are no violations or possible violations of budget ordinances, laws and regulations (including those pertaining to adopting, approving, and amending budgets), provisions of contracts and grant agreements, tax or debt limits, and any related debt covenants whose effects should be considered for disclosure in the financial statements, or as a basis for recording a loss contingency, or for reporting on noncompliance.
31. We understand that in addition to your audit, you prepared the adjusting journal entries necessary to convert our accounting records to the basis of accounting required by generally accepted accounting principles. We acknowledge that we have reviewed and approved those entries and accepted responsibility for the adjusting journal entries.
32. In addition to your audit, you assisted with preparation of the financial statements and notes to the financial statements. We acknowledge our responsibility as it relates to those nonaudit services, including that
 - we assume all management responsibilities;
 - oversee the nonaudit services by designating an individual, preferably within senior management, who possesses suitable skill, knowledge, or experience;
 - evaluate the adequacy and results of the nonaudit services performed;
 - and accept responsibility for the results of the nonaudit services.
33. We have reviewed, approved, and accepted responsibility for the financial statements, and notes to the financial statements.
34. AMWUA has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset been pledged as collateral.
35. AMWUA has complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance.
36. We have followed all applicable laws and regulations in adopting, approving, and amending budgets.

37. If applicable, the financial statements include all component units, appropriately present majority equity interest in legally separate organizations and joint ventures with an equity interest, and properly disclose all other joint ventures and other related organizations.
38. The financial statements include all fiduciary activities required by U.S. GAAP.
39. The financial statements properly classify all funds and activities in accordance with U.S. GAAP.
40. All funds that meet the quantitative criteria for presentation as a major fund are identified and presented as such and all other funds that are presented as a major fund are particularly important to financial statement users.
41. Components of net position (net investment in capital assets; restricted; and unrestricted) are properly classified and, if applicable, approved.
42. Investments are properly valued.
43. If applicable, provisions for uncollectible receivables have been properly identified and recorded.
44. All payroll information and the individual employment data have been properly submitted to the state retirement system, and the employer contributions have been properly submitted to the retirement system.
45. Revenues and expenses have been appropriately classified in or allocated to functions and programs on the statement of revenues, expenses and changes in net position, and allocations have been made on a reasonable basis.
46. Internal and intra-entity activity and balances have been appropriately classified and reported.
47. Special and extraordinary items, if any, are appropriately classified and reported.
48. Deposits and investment securities are properly classified as to risk and are properly disclosed.
49. Capital assets and intangible assets are properly capitalized, reported, and, if applicable, depreciated or amortized.
50. We have identified and disclosed to you all contracts, agreements, and transactions that result in leases for financial reporting purposes. Leases have been properly recorded and disclosed in the notes to the financial statements.
51. We have appropriately disclosed AMWUA's policy regarding whether to first apply restricted or unrestricted resources when an expense is incurred for purposes for which both restricted and unrestricted net position is available and have determined that net position is properly recognized under the policy.

52. We are following our established accounting policy regarding which resources (that is, restricted, committed, assigned, or unassigned) are considered to be spent first for expenditures for which more than one resource classification is available. That policy determines the fund balance classifications for financial reporting purposes.
53. We have disclosed to you all significant estimates and material concentrations known to management that are required to be disclosed. Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.
54. We acknowledge our responsibility for the required supplementary information (RSI). The RSI is measured and presented within prescribed guidelines and the methods of measurement and presentation have not changed from those used in the prior period. We have disclosed to you any significant assumptions and interpretations underlying the measurement and presentation of the RSI.

I understand that at the conclusion of the audit Heinfeld, Meech & Co, P.C. will submit to the Board of Directors a communication to those charged with governance that will include a copy of this representation letter and a copy of the engagement letter.

Independent Auditor's Report

Board of Directors
Arizona Municipal Water Users Association

Report on Audit of Financial Statements

Opinions

We have audited the accompanying financial statements of the Arizona Municipal Water Users Association (AMWUA), as of and for the years ended June 30, 2022 and 2021, and the related notes to the financial statements, which collectively comprise of AMWUA's financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial positions of Arizona Municipal Water Users Association as of June 30, 2022 and 2021, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Arizona Municipal Water Users Association, and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Change in Accounting Principle

As described in Note 1, Arizona Municipal Water Users Association implemented the provisions of the Governmental Accounting Standards Board (GASB) Statement No. 87, *Leases*, for the year ended June 30, 2022, which represents a change in accounting principle. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Arizona Municipal Water Users Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements. In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Arizona Municipal Water Users Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Arizona Municipal Water Users Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Comparative Information

We have previously audited the Arizona Municipal Water Users Association's financial statements for the fiscal year ended June 30, 2021. Our report dated October 12, 2021 expressed an unmodified opinion on those audited financial statements. In our opinion, the comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Management's Discussion and Analysis and net pension liability information, as listed in the table of contents, be presented to supplement the financial statements. Such information, is the responsibility of management and, although not a part of the financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statements, and other knowledge we obtained during our audit of the financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated October 11, 2022, on our consideration of the Arizona Municipal Water Users Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Arizona Municipal Water Users Association's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Arizona Municipal Water Users Association's internal control over financial reporting and compliance.

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2022 AND 2021**

The following Management Discussion and Analysis (MD&A) of the Arizona Municipal Water Users Association's (AMWUA) activities and financial performance provides an introduction to AMWUA's financial statements for the fiscal years ended June 30, 2022 and 2021.

FINANCIAL AND OPERATIONAL HIGHLIGHTS

Total net assets for AMWUA equaled \$238,361 at June 30, 2022, and \$252,635 at June 30, 2021 decreasing by \$14,274 for fiscal year 2022 and increasing by \$49,169 for fiscal year 2021. AMWUA's net position was negatively impacted in fiscal year 2015 with the implementation of GASB Statement No. 68, Accounting and Financial Reporting for Pensions (GASB 68), which required AMWUA to record its proportionate share of unfunded pension liabilities for pension plans in which it participates.

For fiscal year 2022 revenues assessed to the member cities totaled \$1,396,486 which represents a \$71,683 increase from fiscal year 2021, including a carryover credit of \$75,000. For fiscal year 2021 revenues assessed to the member cities totaled \$1,324,803 which represents a \$142,050 decrease from fiscal year 2020. Each city is assessed the same amount for the first 50 percent of the water portion of the budget, and the second 50 percent is based on population.

FISCAL YEAR 2022 ASSESSMENTS BY CITY

<u>CITY</u>	<u>ASSESSMENT</u>	<u>PERCENTAGE</u>
Phoenix	\$428,368	30.67
Mesa	168,853	12.09
Scottsdale	121,616	8.71
Glendale	112,787	8.08
Tempe	122,853	8.80
Chandler	101,948	7.30
Gilbert	100,695	7.21
Peoria	89,118	6.38
Avondale	74,555	5.34
Goodyear	<u>75,692</u>	<u>5.42</u>
	\$1,396,484	100.00

Below is a listing of operating expenditures by major budget category comparing the approved budget to actual budget (cash) basis, and actual GAAP basis:

	<u>Approved Budget</u>	<u>Actual Expenditures</u>	<u>Actual GAAP</u>
Administration	\$776,228	\$712,396	\$712,396
Employee Benefits	171,000	150,287	150,287
Professional Services	189,000	184,317	184,317
Occupancy	210,805	115,756	115,756
Travel and Training	10,500	11,708	11,708
Capital Outlay	11,200	10,897	11,010
Office Operating Expenses	32,750	22,036	21,688
Water Conservation	<u>70,000</u>	<u>117,176</u>	<u>117,176</u>
	\$1,471,483	\$1,324,573	\$1,324,338

See the Supplemental Information for a reconciliation of the actual budget to the actual GAAP basis.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2022 AND 2021

OVERVIEW OF OPERATING EXPENDITURES

Expenditures for Administration include salaries and pension-funding payments to the Arizona State Retirement System. The actual for Administration and Benefits was under budget by \$84,545. Employee Benefits, includes payroll taxes, payroll processing, medical, dental, and disability insurance, and cell phone allowance. The savings was due to timing of staff compensation and health benefit plan participation changes.

Professional Services include audit fees and contracts for the following services: Website Maintenance and Redevelopment, Communication, Legal, Legislative, and Financial. The actual for Professional Services was under budget by \$4,683.

Occupancy costs include building lease, building operating expenses; and telephone and internet charges. The actual was under budget by \$95,049. The savings was primarily due to a credit given AMWUA during the leasehold improvement phase of construction as well as a 3 month rent abatement.

Travel and Training was under budget, mostly due to Covid-19 restrictions on travel and gatherings.

Capital Outlay includes the copier lease and money spent on computer software and hardware upgrades. The expenditures for this line item was under budget by \$303.

Office operating expenses includes all expenses related to office operations. This includes supplies, meetings (lunch and snacks provided to attendees of the Management and Board meetings), printing costs, postage and deliveries, subscription and reference, dues and memberships, office liability insurance, and equipment maintenance costs. The actual was under budget by \$10,714.

Water Conservation and the Water Loss Control and Training Program had total expenditures of \$47,176 over budget. This is primarily due to timing between the calendar/fiscal years. The Water Loss Training Program, over two fiscal years, had revenue from ADWR of \$225,000 and expenses to the University of New Mexico of \$215,000.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2022 AND 2021

Overview of the Financial Statements

AMWUA's financial statements include the statements of net position; statements of revenues, expenses, and changes in net position; statements of cash flows; and the notes to the financial statements. AMWUA's financial statements are prepared on an accrual basis in accordance with generally accepted accounting principles promulgated by the Governmental Accounting Standards Board (GASB).

Summary of Net Position

	Years ended June 30		
	<u>2022</u>	<u>2021</u>	<u>2020</u>
		(as restated)	
Current Assets	\$1,156,298	\$1,126,227	\$1,120,607
Net capital assets	1,302,086	1,448,888	16,815
Deferred outflows	<u>237,768</u>	<u>175,261</u>	<u>105,458</u>
Total assets and deferred outflows of resources	\$2,696,152	\$2,750,376	\$1,242,880
Current Liabilities	\$157,328	\$150,780	\$118,067
Net pension liability	777,862	942,563	857,064
Lease liability	1,254,952	1,342,128	
Deferred Inflow	267,649	62,270	90,547
Net investment in capital assets		39,379	28,223
Restricted net position	83,686	46,843	
Unrestricted	<u>154,675</u>	<u>166,413</u>	<u>148,979</u>
Total liabilities, deferred inflows of resources and net position	<u>\$2,696,152</u>	<u>\$2,750,376</u>	<u>\$1,242,880</u>

- ◆ Current assets increased by \$30,071 in 2022 and by \$5,620 in 2021. Current assets consist primarily of cash, investments in the Arizona State Local Government Investment Pool, and in some years, a small amount of receivables and prepaids. Since the cash assessments generally match the anticipated expenses for each fiscal year, the cash and investments balances will fluctuate based upon the level of actual expenditures compared to the approved budget.
- ◆ Net Capital assets decreased by \$146,802 during fiscal year 2022 and increased by \$1,432,073 during fiscal year 2021. Capital assets consist of office furniture, equipment, and certain leasehold improvements. In 2021 AMWUA capitalized \$1,409,508 for the Right-of-use Asset in accordance with GASB 87. In 2022, AMWUA capitalized \$6,674 for the purchase of a microphone system upgrade for the board room. AMWUA's threshold for capitalization is \$1,000 with a useful life of greater than one year.
- ◆ Current Liabilities increased by \$6,548 in 2022 and \$32,713 in 2021. At fiscal year end, all current liabilities consist of unpaid operating expenses, compensated absences and the current portion of leases payable.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2022 AND 2021

- ◆ Net Pension Liability represents AMWUA's proportionate share of the net pension liability of the Arizona State Retirement System. This reporting requirement was implemented in Fiscal Year 2015 to satisfy the requirements of GASB 68.
- ◆ Total Net Position decreased by \$14,274 to \$238,361 in Fiscal Year 2022 and increased by \$75,433 to a \$252,635 in Fiscal Year 2021

Contingency and Reserve Funds Status

In March 2013, the Board of Directors approved the Contingency Fund and Reserve Fund Policy directing and restricting the use of AMWUA's excess cash.

The Contingency Fund was established in the amount of \$600,000 that may only be used as authorized by the Board of Directors for unanticipated emergency or extraordinary expenses. Pursuant to the policy these funds are held in the Local Government Investment Pool with the Arizona State Treasurer.

The Reserve Fund was established with a balance equal to the difference between AMWUA's excess cash and the Contingency Fund. If the balance of the Reserve Fund falls below \$50,000, the Board of Directors shall determine how to restore the balance to at least \$50,000. Monies in the Reserve Fund may only be used as authorized by the Board of Directors. In accordance with the policy this fund may not be used for on-going operational expenses, but may be used for capital expenditures (such as office equipment and furniture), to offset the cost of relocating the office, or for professional services that fall outside of the normal operations of AMWUA. At June 30, 2022, the balance of the Reserve Fund is \$170,740. Pursuant to the policy these funds are held in the Local Government Investment Pool with the Arizona State Treasurer.

In June 2020, the Board of Directors approved the Office Lease Stabilization Fund Policy to smooth the effect of rent increases in future years. AMWUA received six months of free rent overlapping Fiscal Year 2021 and Fiscal Year 2022. Rather than reduce budget and assessments, AMWUA kept these consistent and designated \$90,000 (\$45,000 in each fiscal year) to be held in the Office Lease Stabilization Fund. Beginning in Fiscal Year 2022 \$10,000 will be utilized each year to reduce the office space line item in future budgets. At June 30, 2022, the balance of the Office Lease Stabilization Fund is \$83,686. Pursuant to the policy these funds are held in the Local Government Investment Pool with the Arizona State Treasurer.

Net position, June 30	<u>\$238,361</u>	<u>\$252,635</u>	<u>\$177,202</u>

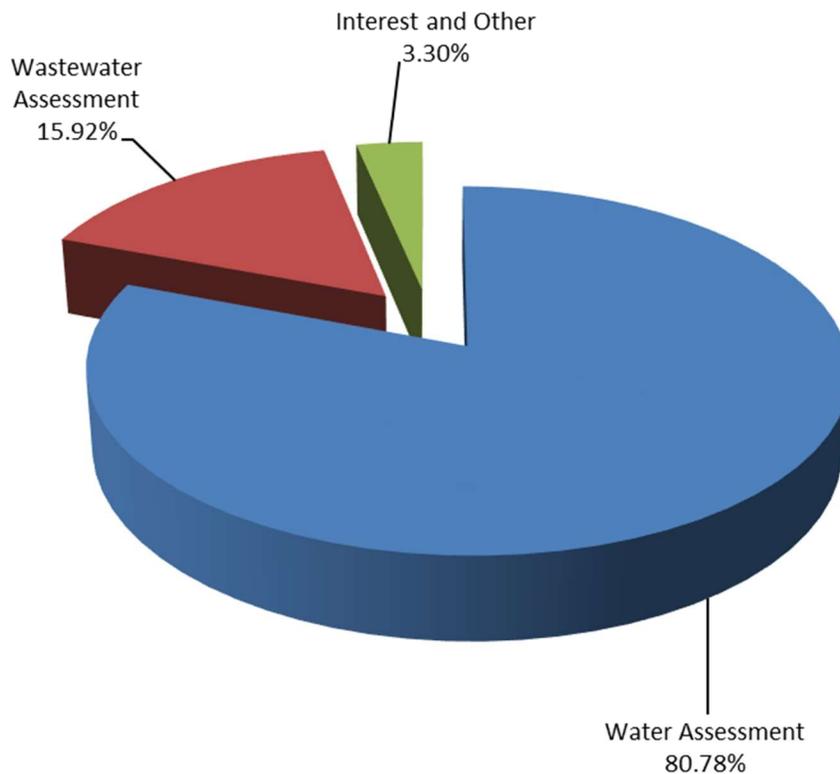

- ◆ Actual annual assessments billed to the cities increased by \$63,180 in 2022 and decreased by \$147,870 in 2021. Most of the June 30, 2021 decrease in assessment can be attributed to a carryover credit given to the member in the amount of \$121,533, the carryover credit for June 30, 2022 was \$75,000.
- ◆ Other revenues decreased \$153,339 in 2022. Other revenues include a courtesy credit from the bank and ADWR revenue in regard to the Water Loss Training Program.
- ◆ Total operating expenses decreased by \$72,629 in 2022 and increased by \$3,483 in 2021.
- ◆ Nonoperating expenses increased by \$72,178 in 2022 due to recognizing interest paid on the office lease under GASB 87.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2022 AND 2021

Operating Revenues

AMWUA's revenue is primarily (91.98%) generated by water and wastewater assessments from member cities. For fiscal year 2022, of the \$1,396,484 in revenue recognized from annual assessments, \$1,241,619 represents water assessments, \$229,865 representing wastewater assessments with the remaining credit of \$75,000 applied to overall assessments due. The following chart shows the sources and the percentage of all revenue by category for the fiscal year ended June 30, 2022.

Revenues Summary
for Fiscal Year Ended June 30, 2020
Total = \$1,444,198

Operating Expenses

The following chart shows AMWUA's operating expenses by category for the year ended June 30, 2022.

Expenses Summary
for Fiscal Year Ended June 30, 2022
Total = \$1,458,472

AMWUA's Capital Assets

	Years ended June 30		
	<u>2022</u>	<u>2021</u> (as restated)	<u>2020</u>
Property and Equipment	\$1,543,208	\$1,537,270	\$185,937
Leasehold improvements	7,102	7,102	52,665
Less accumulated depreciation and amortization	(248,224)	(95,485)	(221,787)
Net property and equipment	<u>\$ 1,302,086</u>	<u>\$ 1,448,888</u>	<u>\$ 16,815</u>

AMWUA owns no real property. Property and equipment consists of office equipment for office operations and administration such as office furniture, computers, telephone equipment, etc. The Right-of-use Asset is 91.34% of property and equipment and the primary cause of increase for the 2021 year. Net property and equipment increased \$5,938 during fiscal year 2022 and increased by \$1,305,770 during fiscal year 2021.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
MANAGEMENT'S DISCUSSION AND ANALYSIS (MD&A)
JUNE 30, 2021 AND 2020

Economic Factors and Next Year's Budget

Starting in Fiscal Year 2017 all AMWUA members are voting members and each member pays 50% of the AMWUA water portion of the budget equally and the remaining 50% by member population. During fiscal year 2016 voting membership water assessments were based on Maricopa Association of Governments' most recent population estimates, with a 49% ceiling and \$40,000 minimum. Non-voting membership assessment was set at \$25,000 for a population under 50,000 and \$35,000 for a population equal to or greater than 50,000. Wastewater assessments are based on flow ownership in the 91st Avenue WWTP at 204.50 mgd.

In June 2022, the AMWUA Board of Directors approved the Fiscal Year 2023 Budget. The fiscal year 2023 Budget increased by 2.25% over the fiscal year 2022 budget. The actual assessments to the members are being reduced proportionately by \$55,000, due to savings recognized during FY22. Comparing the FY23 budget to FY 22 budget after the carryovers, there is a 1.65% increase.

Requests for Financial Information

This financial report is designed to provide a general overview of AMWUA's finances. Questions concerning any of the information provided in this report, or requests for additional financial information should be addressed to the Executive Director of AMWUA.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Arizona Municipal Water Users Association (AMWUA) was incorporated on March 10, 1969. The Association is a not-for-profit corporation formed for the purpose of providing a forum for the discussion of planning for the solution of regional water problems, to ensure maximum efficiency and economy in maintaining and securing water and water rights, and in producing, treating, conserving, and distributing water for urban uses through the pooling of common resources and intergovernmental cooperation.

During the year ended June 30, 2022, the AMWUA implemented the provisions of GASB Statement No. 87, *Leases*. This Statement increases the usefulness of the financial statements by requiring recognition of certain lease assets and liabilities for leases that previously were classified as operating leases. The statement establishes a single model for lease accounting based on the foundational principle that leases are financings of the right to use an underlying asset. Under this Statement, a lessee is required to recognize a lease liability and an intangible right-to-use lease asset, and a lessor is required to recognize a lease receivable and a deferred inflow of resources. Beginning balances of net capital assets and long-term obligations for leases payable reported in the financial statements have been restated accordingly by \$1,409,508 respectively.

The more significant of AMWUA's accounting policies are described below.

A. Basis of Presentation

The financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard setting body for establishing governmental accounting and financial reporting principles. Revenues are recorded when earned and expenses recorded at the time liabilities are incurred.

AMWUA is a special purpose governmental entity, engaged only in business-type activities. It is required to present the financial statements required for enterprise funds, which include a statement of net position, a statement of revenues, expenses, and changes in net position, and a statement of cash flows. It also requires a Management's Discussion and Analysis as required supplementary information.

B. Use of Estimates in Preparing Financial Statements

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make a number of estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements. Such estimates and assumptions affect the reported amounts of revenues and expenses during the reporting period. On an ongoing basis, AMWUA evaluates its estimates and assumptions based upon historical experience and various other factors and circumstances. Management believes that its

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

estimates and assumptions are reasonable in the circumstances; however, actual results may differ from those estimates.

C. Investments

AMWUA places all of its investments within the Arizona Local Government Investment Pool. All such investments are stated at fair value based upon quoted market prices. Investment income is composed of interest, dividends, and net changes in the fair value of applicable investments. Investment income is included in nonoperating revenues in the proprietary fund financial statements.

D. Capital Assets

Capital assets are initially recorded at cost. These assets are depreciated using the straight-line method over their estimated useful lives, generally three to five years for furniture and equipment. The capitalization threshold is \$1,000 with a useful life greater than one year. Leasehold improvements are amortized over the shorter of their estimated useful lives or the term of the associated lease. Intangible right-to use assets are amortized over the shorter of the lease term or the underlying asset's useful life. The useful life of the intangible right-to use asset is 10 years.

E. Operating Revenues

Operating revenues primarily reflect members' assessments for water and wastewater activities. All operating revenues are recognized when earned. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

F. Tax-Exempt Status

AMWUA has received a tax determination letter indicating that it qualifies as a tax-exempt organization under Section 501(c)(4) of the Internal Revenue Code. AMWUA is also exempt from State of Arizona taxation.

G. Cash and Cash Equivalents

For purposes of the statement of cash flows, AMWUA considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

H. Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position may report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net assets that applies to a future period and so will not be recognized as an outflow of resources (expense/expenditure) until then. In addition to liabilities, the statement of financial position may report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net assets that applies to a future period and so will not be recognized as an inflow of resources (revenue) until that time.

I. Compensated Absences

AMWUA's personnel regulations generally provide for granting paid time off in varying amounts. Benefits are accrued when earned by employees.

J. Contingency and Reserve Funds Status

In March 2013, the Board of Directors approved the Contingency Fund and Reserve Fund Policy directing and restricting the use of AMWUA's excess cash.

The Contingency Fund was established in the amount of \$600,000 that may only be used as authorized by the Board of Directors for unanticipated emergency or extraordinary expenses. Pursuant to the policy these funds are held in the Local Government Investment Pool with the Arizona State Treasurer.

The Reserve Fund was established with a balance equal to the difference between AMWUA's excess cash and the Contingency Fund. Monies in the Reserve Fund may only be used as authorized by the Board of Directors. In accordance with the policy this fund may not be used for on-going operational expenses, but may be used for capital expenditures (such as office equipment and furniture), to offset the cost of relocating the office, or for professional services that fall outside of the normal operations of AMWUA. At June 30, 2022, the balance of the Reserve Fund is \$170,740. Pursuant to the policy these funds are held in the Local Government Investment Pool with the Arizona State Treasurer.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

In June 2020, the Board of Directors approved the Office Lease Stabilization Fund Policy to smooth the effect of rent increases in future years. AMWUA received six months of free rent overlapping Fiscal Year 2021 and Fiscal Year 2022. Rather than reduce budget and assessments, AMWUA kept these consistent and designated \$90,000 (\$45,000 in each fiscal year) to be held in the Office Lease Stabilization Fund. Beginning in Fiscal Year 2022 \$10,000 will be utilized each year to reduce the office space line item in future budgets. At June 30, 2022, the balance of the Office Lease Stabilization Fund is \$83,686. Pursuant to the policy these funds are held in the Local Government Investment Pool with the Arizona State Treasurer.

K. Leases

AMWUA recognizes lease liabilities with an initial, individual value of \$30,000 or more. AMWUA uses its estimated incremental borrowing rate to measure lease liabilities unless it can readily determine the interest rate implicit in the lease.

L. Pensions

For purposes of measuring the net pension liability, deferred outflows of resources and deferred inflows of resources related to pensions, and pension expense, information about the pension plan's fiduciary net position and additions to/deductions from the plan's fiduciary net position have been determined on the same basis as they are reported by the plan. For this purpose, benefit payments (including refunds of employee contributions) are recognized when due and payable in accordance with the benefit terms. Investments are reported at fair value.

M. Net Position Flow Assumption

In the financial statements, AMWUA applies restricted resources first when outlays are incurred for purposes for which either restricted or unrestricted amounts are available.

N. Net Position Flow Assumption

In the financial statements, AMWUA applies restricted resources first when outlays are incurred for purposes for which either restricted or unrestricted amounts are available.

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 2 – CASH AND INVESTMENTS

AMWUA places its cash with high credit quality financial institutions and generally limits the amount of credit exposure to the amount in excess of the Federal Deposit Insurance Corporation (FDIC) insurance coverage limit of \$250,000. At June 30, 2022, the bank balance was \$297,980 and \$47,980 was uninsured and uncollateralized. AMWUA also had petty cash of \$500 at June 30, 2022 and 2021.

AMWUA places all of its investments within the Arizona Local Government Investment Pool (LGIP). The Arizona State Treasurer’s Office operates this pool to provide professional short-term investment services to a wide array of public entities. By investing in the LGIP, participants are able to benefit from the substantial aggregate buying power of the state portfolio as well as a pool of monies from other participants. Therefore, AMWUA has no individual investments in excess of five percent of the total investments as of June 30, 2022 and 2021.

The State Treasurer’s pools are external investment pools, the Local Government Investment Pool (Pool 5) and Local Government Investment Pool-Government (Pool 7), with no regulatory oversight. The pools as an investment company are not registered with the Securities and Exchange Commission. The activity and performance of the pools are reviewed monthly by the State Board of Investment. The fair value of each participant’s position in the State Treasurer investment pools approximates the value of the participant’s shares in the pool and the participants’ shares are not identified with specific investments. Participants in the pool are not required to categorize the value of shares in accordance with the fair value hierarchy.

The LGIP is primarily invested in commercial paper and government agency notes, with lesser investments in repurchase agreements and corporate notes. AMWUA’s funds are invested in Pool 5 with the LGIP which is rated AA Af by Standard and Poor’s and had a weighted average maturity of 51 days and 66 days at June 30, 2022 and 2021, respectively. The maximum weighted average maturity permitted for the LGIP is 90 days.

The following is a summary of AMWUA’s cash and investments:

	<u>2022</u>	<u>2021</u>
Cash and cash equivalents	\$ 298,024	\$ 243,244
Investments in LGIP	854,426	852,179
Total cash and investments	<u>\$ 1,152,450</u>	<u>\$ 1,095,423</u>

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 4 – LEASES

GASB 87 was applied retroactively to fiscal year 2021 for the amended lease agreement effective April 1, 2021. Conversely, it was determined not practicable to apply GASB 87 to the original office lease which expired in March 2021.

AMWUA entered into a facility lease which expires September 2031. The lease provides incentives in the form of abatement of monthly rent during the work construction period and thereafter from April 1, 2021 through September 30, 2021. The related obligation under the lease agreement has been recorded at the present value of its future minimum lease payments using a discount rate of 8 percent. Amortization of right-to-use assets recorded under leases is included with depreciation and amortization expense.

The net present value and future minimum lease payments at year end were as follows:

	<u>Principal</u>	<u>Interest</u>
Year ending June 30:		
2023	\$ 87,176	\$ 104,225
2024	98,593	96,838
2025	110,957	88,503
2026	124,347	79,142
2027	138,849	68,670
2028-31	782,206	145,083
Total	<u>\$ 1,342,128</u>	<u>\$ 582,462</u>

NOTE 5 – CHANGES IN LONG-TERM LIABILITIES

Long-term liabilities at June 30, 2022, consist of the following:

	<u>Beginning Balance (As restated)</u>	<u>Additions</u>	<u>Reductions</u>	<u>Ending Balance</u>	<u>Due Within One Year</u>
Governmental activities:					
Leases payable	\$ 1,409,508	\$	\$ 67,380	\$ 1,342,128	\$ 87,176

NOTE 6 – ANNUAL ASSESSMENTS

AMWUA assesses membership dues based upon operating costs for the year. During fiscal year 2022, the members paid 50 percent of the AMWUA water portion of the budget equally and the remaining 50 percent was allocated based on member population. The wastewater portion of the budget is paid only by the five members who own an interest in the 91st Avenue Wastewater Treatment Plant. Wastewater assessments are based on percentage of ownership in the 204.50 million gallons per day plant. The following summarizes the dues assessed for fiscal years 2022 and 2021. The 2022 assessments are net of a \$75,000 credit given to members.

ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021

NOTE 7 – DEFERRED COMPENSATION PLANS

In October 2004, the Association became eligible to join the Arizona State Retirement System (ASRS). The ASRS is a cost-sharing, multiple-employer, defined benefit pension plan established by the State of Arizona to provide pension benefits for employees of the state and employees of participating political subdivisions and school districts. Additionally, the ASRS provides a health insurance premium benefit (OPEB) plan and sponsors medical and dental coverage for retired members. AMWUA made monthly retirement contributions into the ASRS at the rate of 12.22 percent and 12.04 percent of the participants' annual salaries in 2022 and 2021, respectively. AMWUA still maintains the Plan 457, in that each employee who wishes to participate has an individual account to which the employee may make voluntary contributions.

NOTE 8 – RISK MANAGEMENT

AMWUA is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees, and natural disasters. AMWUA carries commercial insurance for risks of loss, including health, dental, life, property, and liability and workers' compensation and director and officers. There were no claims in any of the past three fiscal years.

NOTE 9 – RELATED PARTY TRANSACTIONS

AMWUA's governing board is comprised of individuals from each member city. The member cities contributed nearly all revenues in the form of annual assessments during fiscal years 2022 and 2021. Annual assessments are based upon the Board adopted budget. For additional information on annual assessments see Note 5.

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 10 – PENSIONS

Plan Description. AMWUA employees participate in the Arizona State Retirement System (ASRS). The ASRS administers a cost-sharing multiple-employer defined benefit pension plan, a cost-sharing multiple-employer defined benefit health insurance premium benefit (OPEB) plan, and a cost-sharing multiple-employer defined benefit long-term disability (OPEB) plan. The Arizona State Retirement System Board governs the ASRS according to the provisions of A.R.S. Title 38, Chapter 5, Articles 2 and 2.1. ASRS is a component unit of the State of Arizona. The ASRS issues a publicly available financial report that includes its financial statements and required supplementary information. The report is available on the ASRS website at www.azasrs.gov.

The ASRS OPEB plans are not further disclosed because of their relative insignificance to AMWUA's financial statements.

Benefits Provided. The ASRS provides retirement, health insurance premium supplement, long-term disability, and survivor benefits. State statute establishes benefit terms. Retirement benefits are calculated on the basis of age, average monthly compensation, and service credit as follows:

	Retirement Initial Membership Date:	
	Before July 1, 2011	On or After July 1, 2011
Years of service and age required to receive benefit	Sum of years and age equals 80 10 years, age 62 5 years, age 50* Any years, age 65	30 years, age 55 25 years, age 60 10 years, age 62 5 years, age 50* Any years, age 65
Final average salary is based on	Highest 36 months of last 120 months	Highest 60 months of last 120 months
Benefit percent per year of service	2.1% to 2.3%	2.1% to 2.3%
	*With actuarially reduced benefits

JUNE 30, 2022 AND 2021

NOTE 10 – PENSIONS

Retirement benefits for members who joined the ASRS prior to September 13, 2013, are subject to automatic cost-of-living adjustments based on excess investment earnings. Members with a membership date on or after September 13, 2013, are not eligible for cost-of-living adjustments. Survivor benefits are payable upon a member's death. For retired members, the survivor benefit is determined by the retirement benefit option chosen. For all other members, the beneficiary is entitled to the member's account balance that includes the member's contributions and employer's contributions, plus interest earned.

Contributions. In accordance with state statutes, annual actuarial valuations determine active member and employer contribution requirements. The combined active member and employer contribution rates are expected to finance the costs of benefits employees earn during the year, with an additional amount to finance any unfunded accrued liability. For the current fiscal year, active ASRS members were required by statute to contribute at the actuarially determined rate of 12.41 percent (12.22 percent for retirement and 0.19 percent for long-term disability) of the members' annual covered payroll, and AMWUA was required by statute to contribute at the actuarially determined rate of 12.41 percent (12.01 percent for retirement, 0.21 percent for health insurance premium benefit, and 0.19 percent for long-term disability) of the active members' annual covered payroll.

AMWUA's contributions related to the ASRS were \$58,499 and \$67,612 for the years ended June 30, 2022 and 2021, respectively. AMWUA funded 100 percent of its annual required contribution to the ASRS for the years ended June 30, 2021 and 2020.

Employers are also required to pay an Alternate Contribution Rate (ACR), for retired members who return to work in positions that would typically be filled by an employee who contributes to ASRS. AMWUA was required by statute to contribute at the actuarially determined rate of 10.22 percent (10.13 for retirement and .09 percent for long-term disability). ACR contributions are included in employer contributions presented above.

Pension Liability. The net pension liability was measured as of June 30, 2021. The total pension liability of \$777,862 used to calculate the net pension liability was determined using update procedures to roll forward the total pension liability from an actuarial valuation as of June 30, 2020, to the measurement date of June 30, 2021. AMWUA's proportion of the net pension liability was based on AMWUA's actual contributions to the plan relative to the total of all participating employers' contributions to the plan for the year ended June 30, 2021.

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 10 – PENSIONS

The total liabilities as of June 30, 2021, reflect changes in actuarial assumptions based on the results of an actuarial experience study for the 5-year period ended June 30, 2020, including decreasing the discount rate from 7.5 percent to 7.0 percent and changing the projected salary increases from 2.7-7.2 percent to 2.9-8.4 percent.

At June 30, 2022, AMWUA reported the following amounts for its proportionate share of the pension plan net liability. In addition, at June 30, 2021, AMWUA's percentage proportion for the plan and the related change from its proportion measured as of June 30, 2020 was:

Net Liability	AMWUA % Proportion	Increase (Decrease)
\$ 777,862	.006	.001

Pension Expense and Deferred Outflows/Inflows of Resources. AMWUA has deferred outflows and inflows of resources related to the net pension liability. Certain changes in the net pension liability are recognized as pension expense over a period of time rather than the year of occurrence. For the year ended June 30, 2022, AMWUA recognized pension expense of \$54,121 and reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

	Deferred Outflows of Resources	Deferred Inflows of Resources
Differences between expected and actual experience	\$ 11,858	\$
Changes of assumptions or other inputs	101,245	
Net difference between projected and actual earnings on pension plan investments		246,454
Changes in proportion and differences between contributions and proportionate share of contributions	48,715	21,195
Contributions subsequent to the measurement date	75,950	
Total	\$ 237,768	\$ 267,649

The amounts of deferred outflows of resources resulting from contributions subsequent to the measurement date as reported in the table above will be recognized as an adjustment of the net pension liability in the year ended June 30, 2023. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pensions will be recognized in pension expense as follows:

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 9 – PENSIONS

Year Ending June 30:	
2023	\$ 7,561
2024	25,868
2025	(54,330)
2026	(84,930)

Actuarial Assumptions. The significant actuarial assumptions used to measure the total pension liability are as follows:

	<u>Pension</u>
Actuarial valuation date	June 30, 2020
Actuarial roll forward date	June 30, 2021
Actuarial cost method	Entry age normal
Investment rate of return	7.0%
Salary increases	2.9 – 8.4%
Inflation	2.3%
Permanent base increases	Included
Mortality rates	2017 SRA Scale U-MP

The actuarial assumptions used in the June 30, 2020 valuation were based on the results of an actuarial experience study for the five-year period ended June 30, 2020. The purpose of the experience study was to review actual experience in relation to the actuarial assumptions in effect. The ASRS Board adopted the experience study recommended changes which were applied to the June 30, 2020, actuarial valuation.

The long-term expected rate of return on ASRS plan investments was determined to be 7.0 percent using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage excluding any expected inflation.

The target allocation and best estimates of geometric real rates of return for each major asset class are summarized in the following table:

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2022 AND 2021**

NOTE 9 – PENSIONS

Asset Class	Target Allocation	Long-Term Expected Real Rate of Return
Equity	50%	4.90%
Credit	20%	5.20%
Fixed income	10%	.70%
Real estate	20%	5.70%
Total	100%	

Discount Rate. The discount rate used to measure the ASRS total pension liability was 7.0 percent. The discount rate was lowered in the roll forward for the year June 30, 2021 from 7.5 percent, which was used for the actuarial assumptions at the valuation date. The projection of cash flows used to determine the discount rate assumed that contributions from participating employers will be made based on the actuarially determined rates based on the ASRS Board’s funding policy, which establishes the contractually required rate under Arizona statute. Based on those assumptions, the pension plan’s fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Proportionate Share of the Net Pension Liability to Changes in the Discount Rate. The following presents AMWUA’s proportionate share of the net pension liability calculated using the discount rate of 7.0 percent, as well as what the proportionate share of the net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

	1% Decrease (6.0%)	Current Discount Rate (7.0%)	1% Increase (8.0%)
Proportionate share of the net pension liability	\$1,223,511	\$ 777,862	\$ 406,313

Pension Plan Fiduciary Net Position. Detailed information about the pension plan’s fiduciary net position is available in the separately issued ASRS financial report. The report is available on the ASRS website at www.azasrs.gov.

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
NOTES TO REQUIRED SUPPLEMENTARY INFORMATION
JUNE 30, 2022 AND 2021**

NOTE 1 – PENSION PLAN SCHEDULES

Actuarial Assumptions for Valuations Performed. The information presented in the required supplementary schedules was determined as part of the actuarial valuations at the dates indicated, which is the most recent actuarial valuation. The actuarial assumptions used are disclosed in the notes to the financial statements.

Factors that Affect Trends. The actuarial assumptions used in the June 30, 2020, valuation were based on the results of an actuarial experience study for the five-year period ended June 30, 2020. The purpose of the experience study was to review actual experience in relation to the actuarial assumptions in effect. The ASRS Board adopted the experience study recommended changes which were applied to the June 30, 2020, actuarial valuation. The total liabilities as of June 30, 2021, reflect changes in actuarial assumptions based on the results of an actuarial experience, including decreasing the discount rate from 7.5 percent to 7.0 percent and changing the projected salary increases from 2.7-7.2 percent to 2.9-8.4 percent.

**Report on Internal Control Over Financial Reporting and on
Compliance and Other Matters Based on an Audit of
Financial Statements Performed in Accordance with
*Government Auditing Standards***

Independent Auditor's Report

Board of Directors
Arizona Municipal Water Users Association

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Arizona Municipal Water Users Association, as of and for the year ended June 30, 2022, and the related notes to the financial statements, which collectively comprise Arizona Municipal Water Users Association's financial statements, and have issued our report thereon dated October 11, 2022. Our report included an emphasis of matter paragraph as to comparability because of the implementation of Governmental Accounting Standards Board Statement No. 87, *Leases*.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Arizona Municipal Water Users Association's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Arizona Municipal Water Users Association's internal control. Accordingly, we do not express an opinion on the effectiveness of Arizona Municipal Water Users Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We did identify a certain deficiency in internal control, described in the accompanying schedule of findings and responses as item FS-2022-001 that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Arizona Municipal Water Users Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Arizona Municipal Water Users Association's Response to Finding

Government Auditing Standards requires the auditor to perform limited procedures on the Arizona Municipal Water Users Association's response to the finding identified in our audit and described in the accompanying schedule of findings and responses. Arizona Municipal Water Users Association's response was not subjected to the other auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on the response.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**ARIZONA MUNICIPAL WATER USERS ASSOCIATION
SCHEDULE OF FINDINGS AND RESPONSES
YEAR ENDED JUNE 30, 2022**

**FINDINGS RELATED TO FINANCIAL STATEMENTS REPORTED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

Finding Number: FS-2022-001

Repeat Finding: No

Type of Finding: Significant Deficiency

Description: Audit Adjustments

CRITERIA

Management is responsible for establishing and maintaining internal controls that include controls for the generally accepted accounting principles (GAAP) basis financial statements issued by the Association. Proper internal controls include a secondary review on financial statement preparation items, including journal entries.

CONDITION

During our audit, it was noted that a secondary review was not consistently in place for the Association's existing internal controls, and therefore could have resulted in a material misstatement of the Association's financial statements.

CAUSE

There was a vacancy in the reviewer position during the financial statement preparation process due to staff turnover.

EFFECT

The Association may not prevent or detect material misstatements to the financial statements in a timely manner.

CONTEXT

During our review, adjustments were needed to properly state the financial statements.

RECOMMENDATION

The Association should ensure adjusting journal entries, financial statements, and footnote disclosures are reviewed by a second person in order to detect errors and misstatements.

VIEWS OF RESPONSIBLE OFFICIALS

During fiscal year 2022, AMWUA's financial consulting firm experienced changes in managers, resulting in a temporary lapse in the secondary review process. This lapse has since been remedied as a new manager has been assigned to the AMWUA account.

MANAGEMENT BOARD
INFORMATION SUMMARY
November 9, 2022

Nominating Committee for AMWUA Chair and Vice-Chair

STRATEGIC PLAN REFERENCE

Operational Principles – Facilitate our Strength in Numbers

SUMMARY

The AMWUA Management Board is to elect a Chair and Vice-Chair to serve from January 1, 2023 through December 31, 2023. To accomplish this, the current Management Board Chair is to appoint a three-member nominating committee to recommend a candidate for Chair and a candidate for Vice-Chair at the November 9th meeting.

Per the AMWUA Bylaws, the qualifications for serving as an officer are 1) serve as a member of the current Management Board for at least the immediately preceding twelve months (January 2022 – December 2022); 2) have not missed more than three Management Board meetings in the preceding twelve months; 3) be able to serve at least one year as Chair or Vice-Chair; and 4) the Chair and Vice-Chair may serve a maximum of two consecutive years in the same position.

Based on those requirements, the Management Board members who qualify as Chair or Vice-Chair are Kirk Beaty, Brian Biesemeyer, Tara Ford, Chris Hassert, John Knudson, Jessica Marlow, Karen Peters, and Cape Powers.

RECOMMENDATION

The AMWUA Management Board Chair is requested to appoint a three-member nominating committee to recommend a candidate for Chair and a candidate for Vice-Chair for 2023.
